

PERSONNELTeacher Responsibilities and Relationships

Teachers are assigned to serve under the authority, direction and supervision of administrators who are designated by the superintendent and who are usually the building principals. The principal of the respective school, subject to approval by the superintendent, may make special assignments.

All teachers shall acquaint themselves with, and observe and enforce, regulations prescribed by the superintendent, the policies of the school board and the laws of the State of Virginia.

Editor's Note

See also division regulation #R5-49.2.

Adopted by School Board: March 24, 1987
